Brief explanation before separate into elements.

Training

Final show

Give opportunity to potential youth

Requirement

- administration
- Volunteers & recruitment
- trainers
- Equipment and tech
- Accommodation & Transportation

Mission & Vision

We use HipHop as a medium to connect everyone and they can exchange their experiences and ideology.

I think everyone deserves a chance to know no matter what background and society they are from.

That's why we help and develop youth from their very own scratch to bigger picture. And each one teach one.

Thank you
